

NORTHAMPTONSHIRE CPSA

2010 June Northamptonshire Report by Bob Meadows – sec@northantscpsa.org

The warm weather should be with us and a number of the East Midlands championships have been held. Northants have had a slow start, but Bob Franks in the Sportrap Vets at Kegworth, brought home the runner up position to break our duck!

I've heard a number of people talking about their shooting and cutting back the amount of competitions they enter in 2010. The credit crunch is beginning to take hold and people just can't afford to shoot two or three times a week. My advice is for you to make a decision as to the discipline you really want to excel at, and keep to it. If you are a beginner, then make sure that discipline is English Skeet. My reasoning is that this is a 'bread and butter' discipline, which will give you a good foundation for any future shooting you do. As you go round the Skeet stations, the high and low house are presented in different angles and flight paths, many of which will be seen in the other disciplines. With money tight, plan out your competitions that you really want to shoot during the year, and plan your practice around those shoots.

Don't forget your county shoots. They are the way your county discipline managers get a chance to see you shoot and you get a chance to shoot for the county. Your discipline manager will decide the method they will pick their teams, but I hope you will support them, whoever they pick. For English Sporting in 2010, we have been lucky that the Regional event will be held at Sporting Targets in August. I hope many of you will be available for selection.

So good luck for the month and hope your shooting keeps improving, as mine seems to!
