

NORTHAMPTONSHIRE CPSA

2010 March Northamptonshire Report by Bob Meadows – sec@northantscpsa.org

Northants are well into the New Year now, with the AGM having been held in January in the cold snowy weather. Our thanks are due to the shooters, committee and our East Midlands Director(s) who braved the weather and provided some stimulating discussions. 2010 sees minor changes on the county committee, with three new Committee members; Jim Inglis, Catherine Foster and Dennis Murphy. All three have particular skills and experiences which are particularly welcome and includes, our first shooter with mobility issues on the committee. We also are expecting a new Vice Chairman, Peter Wallane, to be selected from the elected committee. Peter has a perfect Vice Chairman 'strategic' viewpoint and we expect much from him in his new executive post.

The challenge that is fixture setting, was completed a week after the AGM and has been posted on the county website at www.northantscpsa.org. This year, as requested by our region, we have tried to use the East Midlands Championship dates, where we see limited attendance in particular disciplines. I hope this will be acceptable.

This year, Sporting Targets has again offered to host the FITASC county championships and additionally the Sportrap events for the Northants Championships. These two events are early in the year and we are hoping for a few more entrants than 2009. Last year most of the Northants shooters were from Stoke Park, who were of course particularly welcome!

For the Inter County events, we will be again announcing County Managers for the teams as soon as the dust has settled from the AGM. We are hoping to re-secure most of last year's post-holders, if we can somehow 'strong-arm' them into volunteering for a thankless job. Keep an eye on the website for announcements.

The Website has continued to be updated and much of the 2009 information has been migrated to dedicated 2009 pages. We will be offering more opportunities for advertising in 2010, which I hope you will consider when purchasing products and services. If you have any thoughts or articles to be published, please made contact via www.northantscpsa.org and we'll look forward to publishing reports and articles.

If you have any questions or suggestions for Northamptonshire clay shooting, please forward items to the secretary and they will be aired at the next committee meeting. First committee meeting is scheduled for the 24th March 2010.

Please accept the committee's thanks for your support in 2009 and we wish all shooters a great 2010.

April/May Championship Fixtures

SPORTRAP	15th MAY	SPORTING TARGETS
FITASC	22nd MAY	SPORTING TARGETS
ABT	23rd MAY	NORTHAMPTON

Northamptonshire CPSA organizes county championships, representative county teams / individuals and promotes clay shooting in Northamptonshire. For more information please visit the county website at www.northantscpsa.org or email the committee through sec@northamptoncpsa.org
